Collins Maps : Short walks in the Lake District (Collins Ramblers) before purchasing it in order to gage whether or not it would be worth my time, and all praised Short walks in the Lake District (Collins Ramblers):

3 of 3 people found the following review helpful. Excellent little guide bookBy David E. KidneyExcellent little guide book. I had hoped it would be walks that start in one of the small towns and villages. Most of the walks start from a car-park not necessarily in town

All the walks are five miles or under in length and can easily be completed in less than three hours. 20 walks are included and use clear maps to show the route plus easy to follow walk descriptions.
