Patricia Harris, David Lyon : Signpost Guide Andalucia and Costa Del Sol (Signpost Guide Andalucia the Costa del Sol: Your Guide to Great Drives) before purchasing it in order to gage whether or not it would be worth my time, and all praised Signpost Guide Andalucia and Costa Del Sol (Signpost Guide Andalucia the Costa del Sol:

Your Guide to Great Drives):

This guide to a great driving vacation offers a selection of the best regions for touring in southern Spain. It includes Seville, Cordoba, Almeria and the coastal resorts. This book provides ideas for exploring on your own. It gives detailed guides to sightseeing and activities, together with accommodation, dining and shopping recommendations, and lists attractions and areas all rated to guide your personal choice. In addition, road maps and town plans pinpoint driving routes and other tours.

From the Back Cover This guide to a great driving vacation offers a selection of the best regions for touring in southern Spain. It includes Seville, Cordoba, Almeria and the coastal resorts. This book provides ideas for exploring on your own. It gives detailed guides to sightseeing and activities, together with accommodation, dining and shopping recommendations, and lists attractions and areas all rated to guide your personal choice. In addition, road maps and town plans pinpoint driving routes and other tours. (5 3/4 x 8 1/4, 288 pages, color maps and photos)
