0 of 0 people found the following review helpful. fast shipping. By Darren Harriman very fast, receive it next day, awesome and very well. I need it to change, I absolutely love this product! I purchased this product along with a cutting board for a fruit platter that I needed to make for a party this past weekend. This product worked perfectly. It cut right through the hard watermelon rind also cut the pineapple so perfectly. I am very pleased with the purchase! If you're thinking about ordering this product you won't be disappointed. Thank you to the seller for a nice and smooth purchase! good quality with low price.
