From 33 Books Co. : Single Malts of Scotland: Scotch Tasting Map before purchasing it in order to gage whether or not it would be worth my time, and all praised Single Malts of Scotland: Scotch Tasting Map:

Scotch is back although with more than 500 years of tradition, some would say it never left. With this unique poster, youll travel around Scotlands major distilling regions, trying (and logging) a single malt from each. Travel from the

Highlands to the Islands, and everywhere in between.
