Excerpt from Skeleton Tours Through England, Scotland, Ireland, Wales, Denmark, Norway, Sweden, Russia, Poland, and Spain: With Various Ways of Getting From Place to Place, the Time Occupied, and the Cost of Each Journey to a Party of Four The object of the author in publishing these little tours is twofold. One, and the principal, is to answer the universal question of all travellers How do you get from one place to another, and how long does it take? And, secondly, What does it cost? To Americans, Who do not shrink from purchasing in London forced peaches at a guinea apiece, the latter question is not usually so important as the former. To most of my countrymen expenditure of time is more disturbing than that of money. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
