Pedro MB Cabral : Sketches from Via Algarviana before purchasing it in order to gage whether or not it would be worth my time, and all praised Sketches from Via Algarviana:

0 of 0 people found the following review helpful. Pocket-sized? Seriously?By KOThis book is pocket-sized! For \$20? Seriously? It's slightly bigger than my phone. I was going to give it as a gift to my mom who likes watercolors and travel. I should've checked the dimensions. Let this be a lesson to me.

Sketches from a 300km walking travel across Algarve.

About the Author Pedro MB Cabral I live and work in Lisbon, Portugal, where I was born in 1954. I graduated from ESBAL (Lisbon's Fine Arts School) in 1978 with a degree in architecture, and have been a practicing architect ever since. I currently work as an architect for the Portuguese Ministry of Health. In addition, I run the blog BONECOS DE BOLSO (www.bonecosdebolso1.blogspot.pt) and I collaborate with URBAN SKETCHERS (<http://www.urbansketchers.org/>) and URBAN SKETCHERS PORTUGAL (<http://urbansketchers-portugal.blogspot.pt/>). I am married with two children, a daughter-in-law, a grandson and a granddaughter. I draw, I sail and I walk my travels.
