Caroline Dale : Skyline London: A Guide to the Finest Views from the Capital's Highest Points before purchasing it in order to gage whether or not it would be worth my time, and all praised Skyline London: A Guide to

the Finest Views from the Capital's Highest Points:

An awe-inspiring, essential guide to London's high points and what can be seen from them

'There is a wealth of wonderful spots available, whether chosen to mark a special occasion or simply admire a stupendous view.' Good Book Guide 'Caroline Dale's new and excellent guide' -- Simon Jenkins Evening Standard
'The incredible views on show include those at Canada Place, Canary Wharf and at the top of Westminster Cathedral's Bell Tower, with facts and figures on each of the sites.' Discover Britain 'This handy little book tells you the buildings to visit, a little of their history, how to gain access and, once you are there, what you can see from them.' Best of British
About the Author Caroline Dale is a former Reuters and Evening Standard journalist who now works as a Blue Badge tourist guide.
