**From Mairs Geographischer Verlag, Kurt Mair : Slovak Republic GeoCenter Euro Map** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Slovak Republic GeoCenter Euro Map:

Part of the renowned Geocenter Euro Country Map series, this updated map of Slovak Republic is both informative and easy-to-use. This cartography is ideal for planning routes through the countries and features street plans of Banska, Bystrica, Bratislava, KoA'ice and Ostrava. This updated cartography now features grid references in the margin to aid quicker orientation. Additional colour changes to the mapping make transport networks clearer than before. With a scale of 1:800 Thousand and a legend in 8 languages, this is a comprehensive and indispensable road map.
