VKU Harmanec : Slovakia Autocamping Map (Mapa Autokempingov Slovenská republika) before purchasing it in order to gage whether or not it would be worth my time, and all praised Slovakia Autocamping Map (Mapa Autokempingov Slovenská republika):

A very detailed double-sided map showing the car-camp locations in Slovakia. One side has a shaded relief road map with distances, tourist information, gas stations, etc. Campgrounds are marked on the map. The reverse side of the map lists each of the campgrounds and give contact information (telephone, fax, address, name) plus information on the nearest facilities,. such as restaurants, hospitals, gas stations, train stations, etc. In Slovakian with English legend.
