Good details, but the map is HUGE and not easy at all to handle.

Marco Polo maps feature completely up-to-date, digitally generated mapping. The high quality cartography with distance indicators and scale converters aid route planning. The extensive coverage of the maps enables travellers to cross country boundaries with the same map. A fold-out overview map is ideal for route planning and 7 self-adhesive Marco Polo mark-it stickers can be used to pin-point a destination or route for future reference. Scenic routes and places of interest are highlighted - ideal for touring holidays. The maps also contain a comprehensive index and inset street plans of major cities.
