Slovakia 1:500,000 Central Europe 1:1,500,000 FREYTAG, 2011 editionThis double sided map features a road map of Slovakia and a map of Central Europe on reverse.Slovakia is presented by an excellent road and touring map at scale 1:500,00 sufficient for driving as well as travelling by public transportation. Coverage extends to neighbouring countries - to Brno (Czech Republic) to the west, to Krakow and Rzeszow (Poland) in the north, to Uzhgorod (Ukraine) in the east and to Vienna (Austria), Budapest and Debrecen Hungary) to the south. This makes the map ideal for touring the Central European gems: Krakow, Vienna, Bratislava and Budapest.Relief shading and spot heights show the country's topography, with colouring for woodlands and a large number of names of geographical features such as mountain chains. National Parks are shown, as well as restricted entry military areas.Road network includes

small local roads, gives driving distances on main and many secondary routes, and shows locations of petrol stations. Railway lines are included and local airports are marked. A range of symbols highlight various places of cultural and historical interest, campsites, sport and recreational facilities, etc. Added are five inset plans of main artery roads through Bratislava, Zilina, Kosice, Nitra and Banská Bystrica. Included is a distance chart and a map of Slovakia's toll highways. On reverse, a regional transit map of Central Europe covers the area between Berlin, Warsaw, Venice and Belgrade at scale 1:1,500,000. Multilingual legend includes English. Folded size 9 x 5 inches, hard-cover. It is indexed, the name index is in an attached booklet. Made by local cartographers for both residents and visitors.
