An Excellent Guidebook and ReadBy SLSHaving recently decided to travel to Cornwall for the first time, I was at a loss as to which book to select in order to plan my journey. There are scant guidebooks on this specific region published in the US, so I ordered a bunch from the UK. Perusing all of them, "Slow Cornwall" emerged as the clear winner; it is well-written, thoughtful, engaging -- fun to read even if you're not going to Cornwall but would like to learn more about it. The perspective is fresh, local, and honest, and the comprehensive information on what to see and do gives the reader all she needs in planning a holiday there. The author is an award-winning writer and journalist. I highly recommend this guidebook and will be bringing it with me on my trip.4 of 4 people found the following review helpful. What a travel book should beBy zinnietteSlow Cornwall is both a good read and an outstanding guide to Cornwall-its towns and villages, beaches, mountains, valleys, pubs, fine dining, BBs and upscale lodging, history, and its residents. It's also visually appealing, with charming drawings, full-page maps, and highlighted asides offering digressions from the text. The author's voice, though, is the best thing about the book. Every page makes evident how much she enjoyed her travels there. She is curious about every aspect (even a cave accessible on a beach only at low tide), all to the reader's benefit. So it's a delight even if you have no plans for a visit. If you do, the book will tell you all you could want to know.1 of 1 people found the following review helpful. Helpful guideBy SaraCornwall is an amazing region, and this book a really helpful guide for all of the beauties and the misteries of this land. There are few pictures that are too concised about what can be your travel and the beauty of this land. Suggestions regarding bb, farms, pubs, and places of interest are precise and correct. Thanks to this book and its helpful hints I've managed to planned a great break in Cornwall this summer. (And Kirsty suggestions will be useful for next year again).

Kirsty Fergusson enriches your stay in Britain's favorite holiday destination with her local knowledge on where to stay, eat and drink, and what to see and do. Encouraging visitors to discover the unsung delights of one of the most scenic English counties, she takes you on a journey through hidden Cornwall. Tips on where to paddle up creeks to village pubs, discover lost varieties of apples, and ride a bike from standing stones to swimming holes, paint an intimate picture of this popular tourist destination.

'Slow guides take time to point the way.' Hugh Fearnley-Whittingstall 'The Slow guides are the perfect travel companion - warm, witty and stuffed with insider knowledge. I can't think of a better way to unlock the joys of Britain.' Carl Honore, author of In Praise of Slow 'Fans of Cornwall will adore Slow Cornwall ...the book offers information on where to stay, eat and drink and what to do and see ...' The Lady magazine 'This little book fits perfectly into a Barbour pocket, so even if the sun isn't shining on your Cornish holiday, you can enjoy rainy explorations with Kirsty Fergusson as your guide... The charmingly written entries read rather like a diary, and, at the end of each section, are suggested pubs, restaurants and places to stay.' Country Life - August 2012 'What makes Slow Cornwall the Isles of Scilly stand out is its amiability...a friendly companion to your carefree travels.' Western Morning News 'In researching this book Kirsty Fergusson has listened carefully to local residents and allowed their wit and wisdom to shine through. It is this attention to detail that makes this guide a wonderful example of what 'Slow' is all about...I will be using this book to help plan my summer holidays and I live here!' Stephen Warman, Cornwall Sustainable Tourism 'Both a practical guide as well as an armchair read, she chooses places to stay, eat, drink and visit, with an eye always on taking your time and slowing down' Cornwall Life '[Kirsty Fergusson's] insightful slow approach is underscored by visiting as much of the county as possible by boat or bike.' Cornwall TodayAbout the AuthorKirsty Fergusson lives in Cornwall and is an expert on Cornish gardens.
