Alexandra Richards : Slow Dorset: Local, characterful guides to Britain's special places (Bradt Travel Guide Slow Dorset: Local, Characterful Guides to) before purchasing it in order to gage whether or not it would be worth my time, and all praised Slow Dorset: Local, characterful guides to Britain's special places (Bradt Travel Guide Slow

Dorset: Local, Characterful Guides to):

0 of 0 people found the following review helpful. Looking forward to seeing Dorset this Spring bbBy Judith G. BoedeckerThe author shares her love of Dorset and its people And places. Her prose is often downright lyrical and full of sidebars and little snippets of history. Very well researched.3 of 3 people found the following review helpful. Perfect for anyone wanting to truly get to know DorsetBy ianI was visiting Dorset from Australia and found this book incredibly helpful. I was looking for something different from the standard guidebook and used it to plan my trip including accommodation and excursions and whilst I was there. It helped me to see a side to Dorset that I wouldn't have seen if I had been following the standard tourist routes. I would highly recommend it to anyone who wants to explore Dorset.3 of 3 people found the following review helpful. A Very Good GuideBy Dai-keag-ityBradt's entire "Slow" series is worth owning, and this informative guide not only makes planning a to-do list for Dorset much easier, but it's just plain interesting reading as well. Absolutely recommended to everyone with travel plans, or those who would like to know more about what there is to see in and around Dorset.

Dorset is quintessential rural England: rolling hills, thatched houses, narrow, winding lanes and stunning stately homes and gardens. A large part of the county is designated as an Area of Outstanding Natural Beauty and includes England's first natural World Heritage Site. Revealing the hidden delights of one of the most unspoiled of English counties, the author introduces some of Dorset's best kept secrets including little known walks, cycle rides, pubs, and visitor attractions. The Dorset town of Weymouth will host the sailing events during the 2012 Olympics.

'...Alexandra Richards shows us in *Slow Dorset* how easeful for mind and body it can be simply to wander about a place ... There is lots of information, too, about where to eat, where to sleep, where to walk, and generally how to get the maximum pleasure from your stay in a very pleasant county.' This England 'Slow Dorset guide is a must for anyone who wants to savour the best of Dorset.' *Blackmore Vale Magazine* 'It is impossible to praise this book too highly, it is a MUST HAVE for both visitors and residents.' Jeremy Powne, Vice-President, Dorset Wildlife TrustAbout the AuthorAlexandra Richards was born in Dorset and is a freelance travel writer and photographer.
