Judith Summers : Soho: A History of London's Most Colourful Neighborhood before purchasing it in order to gage whether or not it would be worth my time, and all praised Soho: A History of London's Most Colourful Neighborhood:

0 of 0 people found the following review helpful. Good book, great condition.By Deborah B.Very interesting, historical. It covers a lot of ground. It came in great condition, even though it was classified as used in acceptable condition. I got it from Yankee Clipper books, and I would deal with them again. There was nothing wrong with it, just old. It's definitely a keeper.

A history of Soho in London, which has as its contributions the oral histories of shopkeepers, publicans and families. This book won the London Tourist Board Special Book of the Year award.
