CHILDREN'S BOOK TRAVEL GUIDE IN ONE Sophie Stork lives in the Vondelpark. She loves Amsterdam and adores... cycling! Sophie explores Amsterdam on her bike and visits 10-child-friendly places. The book, written in a poetry format, is accompanied with beautiful illustrations. The book provides travel tips and additional tourist information for parents, which are best suited for young children (ages 0-6). Amsterdam is a beautiful city, full of adventures for both kids and parents. With this book you can prepare your journey together and relive the memories of a wonderful experience afterwards.

About the AuthorIn May 2014, Jacobine de Zwaan moved with her family from Amsterdam to Paris, where she lives close to the lovely garden 'Jardin Catherine-Labouré'. Jacobine observed that Paris is not only a romantic destination for couples, but can also be a wonderful city to spend a family vacation, just as long as you know where to go.
