**AA Publishing : South East England Road Map (AA Road Map Britain#3)** before purchasing it in order to gage whether or not it would be worth my time, and all praised South East England Road Map (AA Road Map Britain#3):

0 of 0 people found the following review helpful. Strongly Recommend Alternatives!By mackThe map is too large to be used in a vehicle or other smaller space. The folding required to get the map to a usable size resulted in numerous tears. By the end of a short 10 day trip the map was basically unusable. In addition, the large area covered in the map required very tiny road markings and labels...almost unreadable.Either use your GPS (which we had to do) or get maps of smaller areas. I've had maps that were used on a daily basis that are still in good condidtion. These are not durable or very useful.0 of 0 people found the following review helpful. As describedBy R. AA Road Maps Britain offer Britain's clearest mapping in a practical, slimline format with durable, plastic encapsulated covers Fully updated, these maps combine clear design and an easy-to-read scale with more road detail to ensure that you never lose your way. Each map includes information on toll points, service areas, road numbers, motorways, dual carriageways, and wide and narrow local roads. National Parks and places of interest are also highlighted. National Trust, English Heritage, Scottish and Welsh Heritage sites are shown, and caravan camping sites are pinpointed on the mapping. All except the Britain map have fully updated speed camera locations, plus speed cameras with speed limits shown. The maps offer city and town plans and easy-to-read place name indexes. Scale is 3 miles to 1 inch (1:200,000).
