Karl Baedeker : South-Eastern France Including Corsica: Handbook for Travellers (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised South-Eastern France Including Corsica: Handbook for Travellers (Classic Reprint):

Excerpt from South-Eastern France Including Corsica: Handbook for TravellersThe contents of the Handbook are divided into Four Simmons (I. The Rhone Valley; II. The French Alps; III. Provence; IV. Corsica), each of which may be separately removed from the book by the traveller who desires to minimise the bulk of his luggage. To each section is prefixed a list of the routes it contains, so that each forms an approximately complete volume apart from the general table of contents.
