**Roland Tarr : South West Coastal Path: Minehead to Padstow** before purchasing it in order to gauge whether or not it would be worth my time, and all praised South West Coastal Path: Minehead to Padstow:

The South West Coast Path is the spectacular 613-mile (9870km) National Trail around the tip of Britain. This volume features the section of the Path from Minehead to Padstow, a distance of 163 miles (262 km). The Trail traces the beautiful coastline, through Exmoor National Park, Clovelly and Tintagel, following the Countryside Agency's acorn waymarks. This is the complete, official guide for the long distance walker or the weekend stroller. All you need is this one book. It contains: the entire route split into convenient sections; 1:25 000 Ordnance Survey maps for each section, marked with points of special interest; circular routes off the trail for shorter walks, enabling the walker to explore the local area; route information on each section, with colour photographs and notes on nearby features; background information on local history, wildlife, archaeology, geology, industry and land use; details of public transport, villages on or near the route with facilities for walkers, useful organisations and sources of further information on accommodation; the Countryside Access Charter on your rights and responsibilities when out in the countryside
