Gizi Map : Southeastern Transylvania - Szekelyfold, Romania Map (English, French and German Edition)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Southeastern Transylvania - Szekelyfold, Romania Map (English, French and German Edition):

1 of 1 people found the following review helpful. GREAT detailed map of Transylvania (Skékelyfold)By A. K. GaryThis is a wonderful new map - names in Romanian, Hungarian and German. Large scale and good index. Assuming people are not finding it as the product title spells Transylvania wrong in the listing

This detailed folded tourist and recreation map of Szekelyfold includes Tara Secuilor (south-eastern Transylvania). The map features shaded-relief and elevation tinting. Major and minor roads are depicted along with railways, distance in kilometers, state boundaries, airports, historical sites, points of interest, camping/hostels/hotels, hiking trails, national parks, and natural features. Placename index and tourist information is on reverse side of map. Legend in 5 languages: English, German, French, Hungarian and Romanian. Scale is 1:200,000.
