3 of 3 people found the following review helpful. Excellent MapBy J.T.Wonderful map - the Marco Polo maps are the best for driving or just viewing to better understand a country's geography and where towns are in relationship to each other. Perfect level of detail.2 of 2 people found the following review helpful. The map is sturdy but very largeBy judith hansenVery detailed. The map is sturdy but very large. I cut into manageable sizes for each portion of our travel.0 of 0 people found the following review helpful. Outstanding detail, but very large and unwieldy to use in car.By PlantecUseful for planning, but awkward to take on trip. The place markers are not,very useful as,they are not sticky enough.

Fully updated for 2017... Marco Polo maps feature completely up-to-date, digitally generated mapping. The high quality cartography with distance indicators and scale converters aid route planning.
