H. M. Denham : Southern Turkey, the Levant and Cyprus before purchasing it in order to gage whether or not it would be worth my time, and all praised Southern Turkey, the Levant and Cyprus:

Here Captain H.M. Denham guides the yachtsman and sea-loving traveler through the extensive Turkish coast, the Levant, and the island of Cyprus. The tour starts with Southern Turkey (Anatolia) and then through the Rhodes Channel to Anamur, from Anamur to the Syrian Frontier, the LevantSyria, Lebanon, and Israeland then to Cyprus. This book fully documents the many new changes that have occurred: new ports have been constructed and coastal

features and facilities revealed many new features on detailed inspection, necessitating extensive updating of hydrographical information.
