Literally a travel book with recipes in each region, its like exploring Spain without leaving your home!!!!0 of 0 people found the following review helpful. Time to get cooking By S.Jones I actually got this for my mom a few years ago after we watched Spain on the Road again and then I wanted my own copy. The wait was a little longer but I was in no hurry, there was a rice dish that I used a few years ago that was from this book that I loved but could not find for a long time. So its now time for me to get cooking.1 of 1 people found the following review helpful. Fantastic Book about Traveling and Eating in Spain By Doug A lot of time and energy went into this book with beautiful pictures and remarkably fun dialogue and stories. If you've already

visited Spain, this book will make you want to go back. If you haven't been there yet, I'm sure you'll want to put Spain at the top of your list. Part of the fun is the teasing and laughing between the characters, Mark, Mario, Gwyneth and Claudia. It is obvious that they had the time of their lives over there and all of this fun and enjoyment of food translate very well into the book. If Mario says it's the best place in the world for food, that's saying a lot. I've noticed that Mark, the minimalist on the NY Times has translated his experience into some of his current column. Pick this book up to read about the culinary world of Spain or give it as a nice gift for Christmas or in lieu of a bottle of wine next time you're invited to a party.

From Mario Batali, superstar chef and author of *Molto Italiano* and *Italian Grill*, comes an eating tour throughout Spain with his friend Gwyneth Paltrow. *Spain...A Culinary Road Trip* is the companion book to the prime-time public television series *Spain...On The Road Again*. The premise is simple: Mario Batali and Mark Bittman are single-minded, food-obsessed friends who are constantly on the lookout for the food, wine, and cooking that is unique to Spain—and in this series they will find it. Gwyneth Paltrow and the Spanish actress Claudia Bassols are eager to enjoy all the pleasures the country has to offer, and each pair will be lured into the worlds of the other. The foursome take the ultimate road trip adventure, showcasing the pleasures of Spain, the country's regional cuisine, art, history, and culture, as they've never been seen before. Hundreds of gorgeous and candid photos, anecdotes, and more than seventy recipes from Mario appear in this scrapbook of the dream vacation through Spain.

About the Author Mario Batali is the James Beard Award-winning author of eight cookbooks, including *Molto Batali*, *Molto Gusto*, *Molto Italiano*, and *Spain...A Culinary Road Trip*, as well as the app *Mario Batali Cooks!* With a host of television shows to his name; fifteen restaurants; and Eataly, a fifty-thousand-square-foot Italian marketplace in New York City's Flatiron District that he co-owns with his partner, Joe Bastianich, Mario Batali is one of the most recognized and most respected chefs working in America today. Mario splits his time between New York City's Greenwich Village and northern Michigan with his wife and their two sons. Gwyneth Paltrow is an Academy Award-winning actress. She lives in New York City and London.
