**Rh Value Publishing : Spain: A Picture Book To Remember Her By** before purchasing it in order to gage whether or not it would be worth my time, and all praised Spain: A Picture Book To Remember Her By:

Spain has many faces. To the holiday-maker names such as Majorca, Cost Brava and the Canary Islands surely conjure up pictures of superb beaches, gleaming hotels and long days of sunshine. To the historian Spain presents a picture of a powerful, conquering nation that was to be itself invaded and subsequently torn by the violence of Civil War. Enjoy the marvelous scenery and character captured so memorably in the photographs in this book.
