National Geographic's Executive style wall map of Spain and Portugal is beautifully rendered with unparalleled detail using an antique inspired color palette. The stunning shaded relief is complemented by clearly defined international boundaries, thousands of place names, national parks, swamps and other points of interest, along with major infrastructure networks such as airports, highways and roads, railway lines, canals and ferry routes. Spain's Balearic Islands in the Mediterranean are included. Inset maps provide detail of the Madeira Islands, Azores, and Canary Islands, as well as their location in relation to Spain and Portugal. A user friendly index shows the English translation for many geographic terms. The map is packaged in a two inch diameter clear plastic tube. The tube has a decorative label showing a thumbnail of the map with dimensions and other pertinent information. Map Scale = 1:1,803,000 Sheet Size = 33" x 22"
