Karl. BAEDEKER : Spain and Portugal before purchasing it in order to gage whether or not it would be worth my time, and all praised Spain and Portugal:

Baedeker Guides books were published by the Karl Baedeker publishing firm in Germany beginning in the 1830s. He set the gold standard for authoritative guidebooks for tourists. From 1856 onwards, the red bindings and gilt lettering became the familiar hallmark of all Baedeker's guides and the content became famous for its detail and accuracy. The Spain and Portugal guidebook went through four editions: the first in 1898, 1901, 1909 and the fourth, and last, in 1913.
