Neil Edward Schlecht : Spain For Dummies (Dummies Travel) before purchasing it in order to gage whether or not it would be worth my time, and all praised Spain For Dummies (Dummies Travel):

1 of 1 people found the following review helpful. Spain for DummiesBy steelproWe are planning a wonderful cruise to Spain for our 50th anniversary. I want to know enough to have a great time. This book is such a good base. It has sections on each of the cities we will visit. It has tips and recommendations from Frommer's, as well. I am interested in

the architecture of Antoni Gaudi, and all the buildings are covered in a beautiful way. Shady streets to wander, parks to see, views that should not be missed. Not just the tapas bars and nightlife, which I am sure we can find on our own. The margins of this great book contain little "icons" that tell you "tips", "heads up", "kid friendly", and my favorite "the real deal". I am also reading Michener's Iberia, brushing up on my high-school Spanish, watching and reading "SPAIN: a Culinary Road Trip", by Mario Batali...all thanks to .0 of 0 people found the following review helpful. very helpfullBy Rogerio CukiermanVery helpfull and interesting. I'll use it in my next trip to Spain. good book. Arrived in good conditions and on time.0 of 0 people found the following review helpful. love to travelBy Ollie readsThis is the third "Dummies" book we have used for travel. They give great advice in a quick, easy user-friendly format.

Discover Down-to-earth trip-planning advice What you shouldn't miss — and what you can skip The best hotels and restaurants for every budget Handy Post-it® Flags to mark your favorite pages About the AuthorA writer and cycling aficionado who has lived in Spain, Brazil, and Ecuador, Neil E. Schlecht now resides in Litchfield County, Connecticut. His first exposure to Spain was as a college sophomore teaching English at Col.legi Sant Ignasi in Barcelona. He returned to Barcelona just before the 1992 Summer Olympics and stayed for most of the past decade, working as a consultant on social and economic development projects for the European Union and as a contributing writer for a Spanish art and antiques magazine. The author of a dozen travel guides, as well as articles on art and culture and art catalogue essays, Neil is especially keen on assignments that take him back to Spain. The author counts among the highlights of his Spanish travels a few treasured road miles cycling in the Navarra countryside alongside Miguel Indurain, Spain's five-time Spanish Tour de France champion. Neil's favorite reminder of Spain is his Labrador retriever, who hails from a farm on Ibiza, one of the Balearic Islands. Despite her relocation to the United States, she plays deaf to any commands not in Spanish.
