Combined with other travel guides I have been able to plan a great itinerary for the tripBy Gerald MartinezI am planning a trip to Spain and this book is a helpful resource to determine my itinerary and the cities and sites to visit. It is full of helpful information about the people, history, customs, foods, and accommodations. Combined with other travel guides I have been able to plan a great itinerary for the trip. It will be a pilgrimage to the places where St. Ignatius experienced his spiritual conversion and helped so many to share his

experience. We will then travel south to Burgos, Madrid, Cordoba and Granada, with day trips to Segovia, Toledo, Avila. Interested? Contact me at pilgrimswayusa@aol.com with Subject: Pilgrimage to Spain 2015

Pretty basic information. Our friends had Rick Steve's guide and it was MUCH more useful.
