It looks very comprehensive, but we will have to see how helpful it is in Spain. The problem with the map is that it is huge in comparison to maps here in the USA. It is 38" by 53", enormous !!!!! We will have to fold it before we get into the car for the area we will be driving each day because it is huge. We will see.0 of 0 people found the following review helpful. Great Map of SpainBy DixieVery detailed. Will be invaluable for trip to Spain.0 of 0 people found the following review helpful. Great format, we are using them as the big ...By Neville LeggettGreat format, we are using them as the big picture which you don't get using the car satnav. We use both. Did that in Italy and works brilliantly.
