**Marco Polo Travel Publishing : Spain / Portugal Marco Polo Road Atlas** before purchasing it in order to gage whether or not it would be worth my time, and all praised Spain / Portugal Marco Polo Road Atlas:

3 of 3 people found the following review helpful. THIS is a good item. By John SDurable, flexible, and easy to use. Good not only for driving between towns but also for in-city use; we tore out the Madrid maps and used them to walk around downtown for three days with nary a hitch. However, it is weak on the locations of shopping and restaurants; we found it useful to combine it with information we got online, like where the local Carrefour hypermart was near each stop of our trip.
