Emma Howard : Spain (Small Panorama Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Spain (Small Panorama Series):

0 of 0 people found the following review helpful. Five StarsBy AliciaNice photos!0 of 0 people found the following review helpful. but like yours betterBy Judy ParrSplendid photos. Looked for such a book in Spain, but like yours better.1 of 1 people found the following review helpful. Surprisingly beautiful photosBy EcoDesignerI am often disappointed with photo books and wonder how the photographers/editors can make such beautiful places appear common, but this is not one of those books. I was very impressed with the quality of the photos and the variety of subjects. Very nice book!
