About the AuthorI am a language fun and polyglot traveling the world to meet fascinating people and getting to know incredible places and customs. I find nothing is more rewarding than practicing languages with others, getting new friends and meeting new cultures and customs. Probably you feel the same way. As I keep learning new languages I realize that each one opens up a whole array of new experiences and a new way to look at the world. I decided to write about my experiences to share them with other people and to transform my lifestyle into a way of making a living. I hope I will be able to transmit my passion for languages and for people to those travelers who find that an unknown foreign language is a barrier hard to get by. I know how it feels and hope will be able to help travelers to get the most of their journeys. Journeys are life transforming experiences! Thanks for reading my books! Sarah Retter
