Alastair Sawday Publishing Co Ltd. : Special Places: Pubs Inns of England Wales before purchasing it in order

to gauge whether or not it would be worth my time, and all praised Special Places: Pubs Inns of England Wales:

We have unearthed pubs with style and great food; with sustainability and provenance at the heart of what they do. Sleek city boozers and rural pubs with wonky walls and horse brasses above the bar. From Michelin-starred pubs with rooms to tiny pubs down country lanes that sell filled rolls and well poured pints of real ale. Chosen for the individuality, good cheer and friendly welcomes. This well-loved guide gives you all the information you need: opening times; prices; directions and phone numbers to make a booking.

"Ten years on and this book is stronger than ever. No one can touch Sawday's for its quirky recommendations." Jane Knight, The Times" "Ten years on and this book is stronger than ever.
