From Brand: Alastair Sawday Publishing Co. Ltd : Special Places to Stay London 2 (Alastair Sawday's Special Places to Stay London) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Special Places to Stay London 2 (Alastair Sawday's Special Places to Stay London):

This is an unusual guide to London. With excellent maps, colour photos, witty informative write-ups and lots of information, it is a great addition to the much-loved "Special Places to Stay" series. All the entries we have selected for the book exude style, conviviality and value for money. Our approach is unusual. There are no set rules, no interminable checklists and no hard and fast criteria for inclusion. We look for what we like, we celebrate the unusual, the beautiful and the individual. We applaud the small hoteliers and BB owners who show unstinting kindness and generosity.

From the Back Cover If travelers are amazed by London prices and tired of featureless, corporate hotels, then they should try these special places. You will find over 40 hotels and over 80 beautiful private homes; from delightful family homes to the Dorchester, with grand and groovy hotels in between—all inspected and detailed in lively, interesting write-ups with color photographs. You can enjoy roof gardens, river views, markets on your doorstep and so many more life-enhancing pleasures. A book of great style and value: two people can stay for under £100 at many of our special London addresses. Also included are 40 exceptional London pubs from our Pubs Inns guide. Whether readers are visiting London for business or pleasure, or both, here's something to make the whole experience easier and more personal.
