Fernando Espinosa, Branka Milisic : Split, Croatia before purchasing it in order to gage whether or not it would be worth my time, and all praised Split, Croatia:

0 of 0 people found the following review helpful. Four StarsBy Kathy SokolLove the book, however it is very small.

The city of Split was founded in Roman times, and was founded in the actual palace of the emperor Diocletian, the actual city stills lives among the ruins left by the emperor. This book represents and excellent effort in combining photography and Information about this wonderful and ancient city Lately Game of Thrones was filmed here

This is an excellent souvenir, there are not to many things to buy in Split, this is a great gift for anybody that has been in Dalmatia, or the south of Croatia, --Tappa magazineAbout the AuthorFernando Espinosa is a New York Base photographer, with several books on his makings, His most impressive work had been exhibited in museums around the world. Branka Milisic Croatian and Split born has wrote several books on Croatia, including among them Dubrovnik and Split she is currently writing others from other parts of Croatia
