Domino Bulgaria : Sredna Gora Mountains (Bulgaria) 1:100,000 Hiking Map before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sredna Gora Mountains (Bulgaria) 1:100,000 Hiking Map:

Sredna Gora Mountains (Bulgaria) 1:100,000 Hiking Map DOMINO The map has contours (interval 50m) enhanced by relief shading plus plenty of peak names and additional spot heights. Boundaries of national parks and other protected areas are marked. An overprint highlights both waymarked routes and unmaintained hiking trails. Road network is graded according to width, indicates locations of petrol stations, and includes local country tracks and paths. Railway lines are shown with stations. Symbols mark locations of hotels and holiday homes, campsites, mountain refuges, shepherd's huts and hunting lodges, as well as various places of interest and natural sites. The map has latitude and longitude grid at intervals of 10'. Names of larger towns are in both Cyrillic and Latin alphabet; most names, however, are in Cyrillic only. Also all text and route description are in Cyrillic only. Map legend includes English.
