I just wish that I could have met the author before he passed away.0 of 5 people found the following review helpful. how did this get published?By A Customerworst book that i've ever tried to read.

A historical account of a small community and its role in the American War of Independence

From the Back CoverThe main theme of this book is a concise, lucid, ethno-historical account of a small insular community. It is intended to be an ethnographic study, albeit, eclectic in content and global in sweep.
