**From Brand: EarBOOKS : St. Petersburg: With Classical Music from Borodin to Tchaikovsky (Book 4-CD set)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised St. Petersburg: With Classical Music from Borodin to Tchaikovsky (Book 4-CD set):

Magnificent palaces, wide boulevards, glittering canals, arching bridges - the city of the tsars on the delta of the Neva River is undoubtedly the most beautiful city in Russia. This incredible coffee table book and CD collection shows sumptuous images of the treasures in former Leningrad, from the impressive architecture of the Baroque and Classicist eras, to the panoramas along the Neva River and the interiors of former tsar's residences, as well as unique images from Russian ballets and the White Nights. The four CDs feature classical music by famous composers with reference to St. Petersburg: Michail Glinka, Peter Tchaikovsky, Modest Mussorgsky, Igor Stravinsky, and Dmitry Shostakovich. A collectible and stunning tribute to one of the great cities of Russia and the world.
