**Irina Chursina : St. Petersburg** before purchasing it in order to gage whether or not it would be worth my time, and all praised St. Petersburg:

So glad I could get this online as I made the mistake of purchasing two of the Peterhoff books instead of one of the Peterhoff and this one. Pictures bring back memories of the trip and the easy to read information helps me to understand more about what I saw. This book does what I wanted it to do.0 of 0 people found the following review helpful. Great PicturesBy Harold FussThis copy is for my grandson, so I can keep mine, which I got while visiting the city years ago.
