Rory MacLean : Stalin's Nose: Across the Face of Europe (Tauris Parke Paperbacks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Stalin's Nose: Across the Face of Europe (Tauris Parke Paperbacks):

2 of 2 people found the following review helpful. Stalin's Nose By G. Robinson Hilarious satire and travelogue about post iron curtain eastern Europe as seen by the author, his east European aunt, and her pig. I lent it to so many people

that eventually it didn't come back. Being out of print and unavailable on kindle I recently replaced it with a used copy. One of those books that you look forward to reading several times. Thoroughly enjoyable, and educational too: I had no idea how flexible pre war European borders were and how much people moved across them. 0 of 0 people found the following review helpful. Initially purchased because Rory MacLean received good reviews of his new book "Berlin" which I haven't ...By Erich Holzapfel An interesting and at times hilarious account of a trip through eastern Europe. Initially purchased because Rory MacLean received good reviews of his new book "Berlin" which I haven't yet gotten to. In general, found "Stalin's Nose" worth reading for its insights of the times and cultures of the various countries which the author and his aunt covered until reaching Moscow. 0 of 0 people found the following review helpful. Stalin's Nose is a hoot! By Hal Shearer Having moved to Eastern Europe in 1993, this book was a great way to look at the recent history from a humorous perspective. I've decided to read it again because it is such a great set of adventures, I highly recommend it!

This surreal and darkly comic tale is based on the author's journey from Berlin to Moscow, through Czechoslovakia, Hungary, Poland and Romania, only weeks after the fall of the Berlin Wall.

'A minor masterpiece of comic surrealism.' --The Times *Crazy, charming, a delight.* --John le Carré *Eccentric, amusing and chilling.* --The Economist *The best book I've read for a long time.* --John Wells *As an allegory it is powerful and frequently moving. As a tale it is tremendous fun. It is also a thing of beauty.* --Jan Morris
