Dave Luton : Starting Out in Dutch: First Steps before purchasing it in order to gage whether or not it would be worth my time, and all praised Starting Out in Dutch: First Steps:

As the title indicates, this book is for those who wish to start the wonderous journey of learning the Dutch language. Therefore, it is intended to be a basic introduction which includes the first steps towards a more in depth study in the

future. This is not a text book or tourist guidebook. It does not contain exercises, illustrations or sound files. It does contain phrases which are useful in daily life, important vocabulary and basic grammar.
