**Selas : Street Atlas of Limassol** before purchasing it in order to gage whether or not it would be worth my time, and all praised Street Atlas of Limassol:

Includes over 11,000 entries and explanations and is fully comprehensive, with 58 road maps of Limassol town and its suburbs. It also includes a 109-page index of all street names with their postal codes and a 10-page index of useful information on churches, schools, libraries, cinemas, theaters, cultural centers, embassies etc.
