Stephan Van Dam : StreetSmart Amsterdam Map before purchasing it in order to gauge whether or not it would be worth my time, and all praised StreetSmart Amsterdam Map:

0 of 0 people found the following review helpful. Nice laminated map By Edward W. Purchased this map to take with me to Amsterdam during a recent trip. I liked the fact the map was laminated and it was a great map for central Amsterdam. Only reason I didn't give it 5 stars is that it didn't provide information beyond the central city. 1 of 1 people found the following review helpful. Four Stars By Robin H.H. Wilson Good, but should be on a larger scale 1 of 1 people found the following review helpful. Five Stars By John Wortman Great map.

VanDam's award-winning Amsterdam StreetSmart maps all top attractions including museums, major architecture, and hotels - all at an immensely legible super-scale, complete with 3-D building illustrations. Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection. Amsterdam StreetSmart includes a stunning dimensional detail of the Centrum, Oosterdok, and Vondelpark, as well as the Amsterdam Metro area. Edition also contains a transit map. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the city. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28 or V-34s - it's just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Each sleek and laminated city map package opens to 24" x 9" and then easily folds down to 4" x 9" to snugly fit into a shirt pocket or purse. Gain instant Amsterdam StreetSmarts and a sexy souvenir to boot!

"...A Connoisseur's Map!" --USA Today "For savvy travelers." --Playboy Magazine "The Map." --The New York Times About the Author Stephan Van Dam, AIGA is an award-winning cartographer, graphic designer, and information architect. He is the president, principal and creative director of New York-based VanDam Publishing. Twenty-seven of his maps are in the MoMA Collection. The universal power of maps has been his guiding passion for the past 25 years and fuels his desire to tell stories and construct new realities through maps in all media. He's mapped over 85 world cities, and holds several patents in the field of paper engineering and origami map folding. His work has been honored by the Industrial Design Society of America (IDSA), the American Institute of Graphic Arts (AIGA), the editors of ID magazine and has been featured on national television and been sighted in numerous feature films.
