**Stephan Van Dam : StreetSmart Barcelona** before purchasing it in order to gage whether or not it would be worth my time, and all praised StreetSmart Barcelona:

VanDam's award winning Barcelona StreetSmart maps all top attractions including museums, major architecture, hotels, beaches, and parks - all at an immensely legible super-scale, complete with 3-D building illustrations. Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection. Barcelona StreetSmart includes a stunning dimensional detail of Ciutat Vella, La Ribera El Born, and El Raval, as well as the Barcelona Metro area. Edition also contains a transit map. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the city. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28 or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Each sleek and laminated city map package opens to 32" x 9" and then easily folds down to 4" x 9" to snugly fit into a shirt pocket or purse. Gain instant Barcelona StreetSmarts and a sexy souvenir to boot!
