**From Streetwise Maps : Streetwise Provence** before purchasing it in order to gage whether or not it would be worth my time, and all praised Streetwise Provence:

15 of 22 people found the following review helpful. Not so good By A Customer I did not find this map to be very easy to use. I would recommend the Michelin maps instead.

STREETWISE(r) PROVENCE Revised yearly, STREETWISE(r) is the best-selling map of PROVENCE, with coverage from Nimes to Cannes. Localities covered are Digne-les-Baines, Avignon, and Carpentras. Points of interest such as museums, parks, and popular sites are highlighted and fully indexed. The Aix-En-Provence area is clearly indicated on a map inset. Laminated for durability, accordion folded to fit in your pocket or purse, STREETWISE(r) gives you PROVENCE in a clear, concise, and convenient format.

"Don't leave home without STREETWISE" -- New York Times "STREETWISE is an absolute travel essential" -- Travel Leisure
