Hunter Publishing : Sunflower Corsica 4th Ed (Sunflower Guides Corsica) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sunflower Corsica 4th Ed (Sunflower Guides Corsica):

With beaches t suit every taste and mountains rising to 3000m, no other Mediterranean island can boast Corsica's wealth of natural beauty. This book turns Corsica's countryside inside-out for you, whether you tour by car and stroll to nearby picnic spots or, better still, enjoy a good day's hike ... rounded off with a robust evening meal with superb local cuisine. - Walks for all ages and abilities - Topographical walking maps - Car tous and fold-out touring map - Short strolls to idyllic picnic spots
