**Valerie Crespi-Green : Sunflower Guide Mallorca (Sunflower Guides Mallorca)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sunflower Guide Mallorca (Sunflower Guides Mallorca):

The author has lived on Mallorca for over 30 years and knows the island intimately. This edition includes 10 car tours with accompanying fold-out touring map, as well as plans of Palma and Soller, bus, train and boat timetables and panels of information on Mallorcan customs and features of the landscape. A free online update service informs users of any route-change information.
