Rodney Ansell : Sunflower Guide Menorca (Sunflower Guides) (Sunflower Guides Menorca) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sunflower Guide Menorca (Sunflower Guides) (Sunflower Guides Menorca):

Menorca is a peaceful island, free from most of the excesses of its neighbouring Balearic Islands. Walks take you to some beautiful scenery, both inland and along the truly idyllic coastline. Rodney Ansell, the author, also tells you how to find the amazing prehistoric monuments to be found scattered all over the island. These (the one illustrated on the cover is just one example of scores of them) will fascinate anyone with the imagination to conjure up visions of the ancient history of Menorca. 2 car tours, 45 long and short walks, 18 picnic suggestions. Plans of Mahón and Ciutadella ; touring map.
