About the Author Candace Nicole Alphin relocated to Finland with her family in December 2010. She began creating photography when she was 14 years old, and was published in Canon's PhotoYou 2011 winter edition. Candace enjoys capturing the little moments that are not often noticed while revealing the world, that she lives in, through her eyes. Light, symmetry, and color all inspire her, and her wish is to share that inspiration with everyone. Candace Nicole Alphin muutti Suomeen perheensä kanssa joulukuussa vuonna 2010. Hän aloitti valokuvaamisen 14-vuotiaana. Candace nauttii pienten hetkien tallentamisesta ja kertoo kuvien kautta, miltä maailma näyttää hänen silmistään. Valo, symmetria ja värit inspiroivat häntä ja hän tahtoo jakaa inspiraation kaikkien kanssa. Hänen valokuvansa on julkaistu Canonin PhotoYou talvinumerossa vuonna 2011.
