Herb Lester : Supertime Amsterdam: A Guide to the Usual and Unusual before purchasing it in order to gage whether or not it would be worth my time, and all praised Supertime Amsterdam: A Guide to the Usual and Unusual:

Informed by on-the-ground research, Herb Lester's handy, folded guides uncover what makes a city special - its most distinctive shops, restaurants, cafés, bars, museums and galleries, whether unmissable old favourites, exciting new arrivals or overlooked treasures. Each entry comes with its own brief description, and a basic map helps the reader get their bearings and make plans.Allow us to introduce you to our Amsterdam; a beautiful city rising out of murky

waters, a place untrammelled by stag parties or red-eyed tourists, where small businesses old and new can rely on the patronage of an open-minded population. There are 43 entries on this map, from a stall selling fresh herring to a cat museum, shops specialising in movie memorabilia, records, vintage clothing and artists materials. There are cafés, bars and restaurants, museums and churches. A super time awaits. Printed on a single sheet of 100% recycled paper, these light, portable guides are an ideal travelling companion.
