CartoTravel Verlag : Switzerland 1:301,000 Travel Map with 8 city plans ADAC, 2011 edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Switzerland 1:301,000 Travel Map with 8 city plans ADAC, 2011 edition:

Switzerland 1:301,000 Travel Map with 8 city plans ADAC 2010 Large format (120 x 98 cm / 47 x 39 in) road and touring map of Switzerland at scale 1:301,000 presented by high quality, road-tested, cartography by German Automobile Association ADAC. The country's topography is shown by relief shading with spot heights, colouring for glaciers, and plenty of names of peaks, passes, mountain chains, etc. Road network indicates seasonal closures, restricted roads or routes not recommended for caravans, gradients, motorway services, etc. Scenic routes are highlighted. Railway lines are shown with stations and mountain transport such as cable car lines or rack railways are included. Picturesque towns and villages as well as interesting natural features such as mountains are prominently highlighted. Symbols mark other sights and places of interest. A 47-booklet attached to the map's hard cover includes street plans of central Basel, Bern, Chur, Geneva, Lausanne, Luzern, St.Gallen and Zurich, as well as a place name index for the main map. The index includes postal codes. Multilingual map legend includes English. ADAC is Germany's equivalent of the AAA and publishes an extensive series of road maps and street plans which provide

detailed high-quality mapping of European destinations.
